NAME OF CITY OR TOWN

OFFICE OF THE BOARD OF ASSESSORS

To Marjorie F. Mc Donald, Collector of Taxes of

Southboro NAME OF CITY OR TOWN in the County of Worcester,

GREETING:

IN THE NAME OF THE COMMONWEALTH OF MASSACHUSETTS, you are hereby required to levy on and collect of the several persons named in the tax list herewith committed to you the amount of the tax as therein set forth, assessed to each one on PROPERTY OMITTED from the annual assessment of taxes, with terest, the sum total of such list being Three hundredtwenty three dollars and Forty cents ($ 323.40), which is the whole amount assessed to all persons liable to taxation under the provisions of General Laws (Ter. Ed.) Chapter 59, Section 75, whose names appear in such list, for state, county, city, or town purposes.

And you are to pay over said taxes, with interest, to John A. Carman,

Treasurer of Southboro NAME OF CITY OR TOWN, or to his successor in office, at the times when and in the manner provided by General Laws (Ter. Ed.) Chapter 60, Section 2, and also to give to the treasurer as aforesaid an account of all charges and fees collected by you. And you are to make written return of said taxes and interest, with your tax list and of your doings thereon at such times as the assessors shall in writing require.

But you are to complete, and make up an account of, the collection of the whole sum hereby committed to you, on or before December 31, of the current year.

And if any person refuses or neglects to pay his tax for fourteen days after demand, without unnecessary delay you are to levy said tax by distress or seizure and sale of his goods, except tools or implements necessary for his trade or occupation, beasts of the plough necessary for the cultivation of his improved land, military arms, uniforms and equipments, utensils for housekeeping necessary for upholding life, and bedding and apparel necessary for himself and family. And the goods so distrained by you, you are required to keep, at the expense of the owner, for four days at least, and within seven days after the seizure you are required to sell them by public auction for payment of the amount due as provided by law, having first posted a notice of the sale in some public place in the town at least forty-eight hours before the sale; provided, however, that you may, if you shall see fit, once adjourn such sale for not more than three days, in which case you shall forthwith post a notice of such adjournment at the place of sale. And upon demand you are to give a written account of every sale on distress or seizure and of charges, and if said distress is sold for more than the amount due, you shall pay to the owner any surplus above the tax, interest, charges and fees as provided by law. And if you cannot find sufficient goods on which the tax may be levied, you may take the body of the person assessed and commit him to jail until he pays the tax, interest, charges and fees as provided by law, or until he is discharged therefrom according to law.

Or, under the provisions of General Laws (Ter. Ed.) Chapter 60, Section 34, you may, after such refusal or neglect, issue your warrant to the sheriff or his deputies of the county, or the deputy collector of taxes, or a constable of the town, wherein the person assessed has his usual place of abode or of business, directing them and each of them to distrain the goods or take the body of the person assessed and to proceed as required of collectors in like cases. But you may at your discretion, after the service of such warrant, allow the person assessed to go free for a period not exceeding fourteen days after said service, at which time, if said person does not pay his tax with all interest, charges and fees due thereon, the officer to whom you commit such warrant shall then arrest him on the aforesaid warrant and commit him to the jail of the county where the arrest is made.

And in case you commit the person assessed to jail, you are required to give to the keeper thereof a certificate signed by you, stating that you have committed said person for non-payment of his tax for fourteen days after demand therefor, and for want of goods whereof to make distress, and also setting forth the amount said person is to pay for said tax, interest, charges and fees as provided by law.

And in the levy and collection of the amounts committed to you, and of interest, charges and fees as provided by law, you are to have and to exercise all the powers conferred by the laws of this Commonwealth upon collectors of taxes.

Given under our hands this 16th day of December, 19 55.

ASSESSORS WARRANT TO COLLECTOR

POLL TAX

THE COMMONWEALTH OF MASSACHUSETTS

Southborough
NAME OF CITY OR TOWN

OFFICE OF THE BOARD OF ASSESSORS

To Marjorie F. McDonald, Collector of Taxes

for Southborough (NAME OF CITY OR TOWN) in the County of Worcester,

GREETING:

IN THE NAME OF THE COMMONWEALTH OF MASSACHUSETTS, you are hereby required to levy on and collect from the several persons named in the tax list herewith committed to you the amount of the POLL TAX assessed to each such person as therein set forth, with interest as provided by law, the sum total of such list being nineteen hundred fifty two dollars and no cents ($1952.00), which is the whole amount assessed upon the male inhabitants of Southborough (NAME OF CITY OR TOWN) known to us to be liable to pay a POLL TAX, for state, country, city or town purposes, and for overlay.

And you are to pay over said taxes, interest, and demand charges to John M. Carman, Treasurer of Southborough (NAME OF CITY OR TOWN), or to his successor in office, at the times and in the manner provided by General Laws, Chapter 60, Sections 2 and 5, and also to give to the treasurer as aforesaid an account of all charges and fees collected by you. And you are to make written return of said taxes, interest, and demand charges with your tax list and of your doings thereon at such times as the assessors shall in writing require.

But you are to complete, and make up an account of, the collection of the whole sum hereby committed to you, with interest and demand charges, on or before December 31 of the current year.

And if any person refuses or neglects to pay his tax for fourteen days after demand, without unnecessary delay you are to levy said tax by distress or seizure and sale of his goods, except tools or implements necessary for his trade or occupation, beasts of the plough necessary for the cultivation of his improved land, military arms, uniforms and equipments, utensils for housekeeping necessary for upholding life, and bedding and apparel necessary for himself and family. And the goods so distrained by you, you are required to keep, at the expense of the owner, for four days at least, and within seven days after the seizure you are required to sell them by public auction for payment of the amount due as provided by law, having first posted a notice of the sale in some public place in the town at least forty-eight hours before the sale; provided, however, that you may, if you shall see fit, once adjourn such sale for not more than three days, in which case you shall forthwith post a notice of such adjournment at the place of sale. And upon demand you are to give a written account of every sale on distress or seizure and of charges, and if said distress is sold for more than the amount due, you shall pay to the owner any surplus above the tax, interest, and charges and fees as provided by law. And if you cannot find sufficient goods on which the tax may be levied, you may take the body of the person assessed and commit him to jail until he pays the tax, interest, and charges and fees as provided by law, or until he is discharged therefrom according to law.

Or, under the provisions of General Laws, Chapter 60, Section 34, you may, after such refusal or neglect, issue your warrant to the sheriff or his deputies of the county, or the deputy collector of taxes or a constable of the town, wherein the person assessed has his usual place of abode or of business, directing them and each of them to distrain the goods or take the body of the person assessed and to proceed as required of collectors in like cases. But you may at your discretion, after the service of such warrant, allow the person assessed to go free for a period not exceeding fourteen days after said service, at which time, if said person does not pay his tax with all interest, charges, and fees due thereon, the officer to whom you commit such warrant shall then arrest him on the aforesaid warrant and commit him to the jail of the county where the arrest is made.

And in case you commit the person assessed to jail, you are required to give to the keeper thereof a certificate signed by you, stating that you have committed said person for non-payment of his tax for fourteen days after demand therefor, and for want of goods whereof to make distress, and also setting forth the amount said person is to pay for said tax, interest, charges, and fees.

And in the levy and collection of the amounts hereby committed to you, and of interest, charges, and fees as provided by law, you are to have and to exercise all the powers conferred by the laws of this Commonwealth upon collectors of taxes.
